

# Akash Padhiyar

Fullstack Developer | Professional IT Trainer | Entrepreneur | IT Consultant

# Akash Padhiyar

CEO  
AKASH TECHNOLABS

## QUALIFICATION

BCA /MCA/ MSC. IT

## EXPERIENCE

11+ YEARS EXPERIENCE AS  
FULLSTACK DEVELOPER & TRAINER

# About me

- Being a professional trainer and entrepreneur, I have 11+ years of experience in the field of IT.
- I am running an IT Company named Akash Technolabs.
- Experienced in the all aspects of website & mobile app development, business formation, client dealing, company operation, management and training of various technologies.
- Learning new technologies and facing new tech challenges is my passion.
- During my journey I have trained 4000+ students and 1000+ professional developers in more than 15+ technologies.
- With this with support of dedicated development team we have completed 800+ client projects in various technologies.

# Skills

Love  
to  
Write  
&  
Teach  
Code

# Skills

- Love ❤️ to Teach people How to Write Code 😊
- Deep technical knowledge of project development
- Good coordination skills during workshops, seminars with capacity of more than 100+ students or employees.
- Excellent time management skills and ability to successfully meet training deadlines
- Updated with Current technologies.
- Attentive listener, not afraid to incorporate to opinions of team members and clients

# Why Expert Training ?

- As we all know nowadays competition increases in the market,
- but with that company is not able to find proper candidate according to its requirement.
- So, I would like to take one workshop/Seminar in your respected university/company.
- I want to share my knowledge with students/Developer/Faculty so they can improve their skills and sustain themselves with the current market scenario.
- I have already mentioned list of workshop/Seminars which I did in various colleges/universities/Companies.

# Topics
